

**VILLAGE ARTS ASSOCIATES
PAYMENT OPTIONS 2026-27**

Option #1

Complete the Membership form, selecting the membership level you want:

- 1: Single Membership: \$35.00
- 2: Membership + 1 or dual: \$45.00 (additional person living in member household)
- 3: Membership + Study Group: \$50.00
- 4: Membership + 1 or Dual + Study Group: \$60.00

Send the updated membership form and check made out to the **Village Arts Associates, Inc.** to the address provided.

Option #2

Use the more efficient payment form from our bank called **Clover**. Many of you have decided to use Clover last year and had great success! So easy and no stamps or envelopes needed! Your payments/reservations are immediately registered with this system. First things first.....

When you use the system, there is a transaction charge added to the amount built into the QR code for each membership amount.

- 1: Single Membership: \$36.50
- 2: Membership + 1 or dual: \$46.50 (additional person living in member household)
- 3: Membership + Study Group: \$51.50
- 4: Membership + 1 or Dual + Study Group: \$61.50

To access the CLOVER payment page, use your cell phone camera on "Photo" to hold over the membership QR code you want. It will capture the code and a **yellow band** will come up under the code saying "Clover." Click on this yellow band and the payment page will appear. Google Pay and Apple Pay appear at the top. Move down to put in your own card info if you do not want to use either of those two payment forms.

Complete the payment info and submit. You will get a receipt and I will too! Make sure the amount paid matches the membership you want. Carol Yee, Membership Chair, has access to the list of members who have paid into the system.

Regarding the Membership Form, if there are **any** corrections or updates when you pay with Clover, simply email the Membership Chair at the address listed on the form telling her of the changes!

Please feel free to call me if you have any questions about the Clover System!

Diane Maier (630.768.2794)

Save postage, try the new system! *Your credit card information will be secure! The QR codes are below.
